

Question Answering

Input: What is the title of the first recent post? Use the image to answer the question with a single word or phrase.

Output: What Happens in Vegas, Stays in Vegas

The screenshot shows a blog post titled "FOR PREFIX" by Cecilia Pardo. The post discusses TCP keep-alive settings and their impact on network connectivity. It includes a code snippet for a shell script that sends a TCP keep-alive packet every 4.5 minutes. The post also mentions that the author has been using this script for 9 minutes and that the network is currently stable. The post is dated September 2, 2020, and is categorized under "ARCHIVES".

Set of Mark Question Answering

Input: Tell me what is inside the red rectangle margin.

Output: Main content text that reads "A home is something you can't live without. This page, not so much. Don't worry."

The screenshot shows the Resideo website. The main content area features a large illustration of a house with a car parked in front. To the right of the illustration, there is a text block that reads "Wait. Something's Missing. A home is something you can't live without. This page, not so much. Don't worry." The text is enclosed in a red rectangle. The website also includes a navigation bar with links to "HOMEOWNERS", "PROFESSIONALS", "PRODUCTS", "HOW IT WORKS", "SUPPORT", "OFFERS", and "FOR PROFESSIONALS". There is also a "SIGN IN" button and a "FEEDBACK" link.
