

Analyze Google's development trends in LLMs by reviewing the related top conference papers it published and their main research directions over the past three years.

There are 10 balls in a box: red, blue, and yellow. There are 2 more red balls than blue balls, and one fewer yellow ball than red balls. How many balls of each color are there?

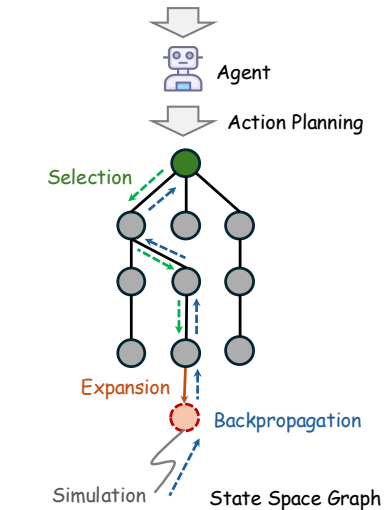

Develop a web-based online note-taking application that allows users to register and log in, create, edit, delete, and view their notes, and support multi-device synchronization.

Task Decomposition

Please design a path for the agent that minimizes obstacles and total travel distance, ensuring optimal completion of the task.
